FASHION MERCHANDISING

Associates of
Fine Arts in Design

WHAT YOU WILL LEARN

The Fashion Merchandising track offers a diverse and interdisciplinary studio environment whereby students gain insight to multiple areas of design and their influences within industry, society and profession. Architecture, Interior Design, Industrial Design, Fashion Design and Fashion Merchandising are areas that make up the studio culture in the Design Program at CCM.

The Fashion Merchandising track provides a comprehensive foundation for students transferring to four-year colleges and universities to continue their studies and pursue a Bachelor of Science (B.S.), Bachelor of Business Administration (BBA) or a Bachelor of Arts (B.A.) in Fashion Merchandising. Contemporary and traditional skillsets acquired at CCM provide the student with immediate opportunities in industry as Visual Merchandising Assistants or Interns, Window Display Coordinators, Fashion/Trade Show Assistants, and Sales and Management positions in Retail.

WHY STUDY FASHION MERCHANDISING AT CCM?

County College of Morris has designated studio classrooms with state of the art equipment and software available to all design students during their academic studies at CCM. The class size average is 12:1 in the studio; this ratio fosters a mentoring relationship between the student and professor. Studios are supplied with materials and resources that allow extensive opportunities for creative exploration in research and process.
