Math League

# Why Dual Enrollment? Titans Express

- Earn credits in both high school and college.
- CCM classes are taught in your high school by your teachers.
- College-level course material approved by CCM.
- Allows students to get college credits at half the cost.
- Helps reduce course loads and graduate early from college.

# Will students receive a grade for the course?

- Students will receive a grade for the Titans Express Dual Enrollment course, determined by their High School teacher. Once completed, the grade will be sent to CCM's Office of Records and added to the student's official academic record.
- Courses taken through the Titans Express Dual Enrollment program will appear on a CCM college transcript like any other course. These credits can jump-start a student's college career and may transfer to other institutions under standard transfer guidelines.

# Is my student a CCM student?

The logo for CCM (Central Community College of Missouri) is located in the top right corner. It consists of the letters "CCM" in a bold, white, sans-serif font, centered within a yellow rounded square.

- Students in the Titans Express Dual Enrollment program are classified as non-matriculated CCM students. They receive a CCM student ID and email address, which grants them access to the Titans Direct student portal for managing tuition payments and accessing their college transcripts.
- CCM will send a secure link for the registration form. Once submitted, the student's enrollment will be processed and a confirmation will be sent to their personal email. They will also receive a username and password for the Titans Direct portal to pay tuition.

# Tuition Charges for Titans Express at Roxbury HS

The logo for CCM (Central Connecticut State University) is located in the top right corner. It consists of the letters 'CCM' in a bold, white, sans-serif font, centered within a yellow rounded square.

Dual Enrollment classes taught at your HS  
are billed at a discounted rate of 50% of the In-County  
per credit rate of \$173.

This means the per credit rate will be \$86.50.00

Tuition for a 3-credit course is \$259.50

Tuition for a 2-credit course is \$173

Tuition for a 1-credit course is \$86.50

# How does payment work?

- **Payment Deadlines:** Tuition due dates are communicated via the student's CCM email. Students are responsible for sharing this information with parents or guardians. Students who withdraw and have paid, do not get a refund.
- **Payment Methods:** Tuition must be paid by the due date online or by check directly to CCM. Failure to pay on time will result in removal from the course.
- **Enrollment Restrictions:** Students who withdraw after payment are not eligible for a refund. Students can't be added after the registration form due date.
